## **Nancy Fax Returns to Board of Montgomery County Community Foundation**

**BETHESDA, MD., June 1, 2010** -- Nancy Fax, managing partner of Pasternak & Fidis, P.C., has rejoined the Board of the Community Foundation for Montgomery County (CFMC).

Founded in 1996, CFMC, which is a regional affiliate of the Community Foundation for the National Capital Region, houses donor-advised funds, through which individuals, families and businesses in Montgomery County do their charitable giving. It also maintains the Sharing Montgomery Fund, which provides grants to dozens of local non-profit organizations each year.

In fiscal year 2010, non-profit organizations in Montgomery County received \$6.1 million from the Community Foundation for the National Capital Region (including CFMC) and its donors.

Nancy has a long history of service to the CFMC, as a past Board member from 2002-2009 and as chair from 2004-2006.

As she rejoins the CFMC Board, Nancy said, "The Community Foundation for Montgomery County is a critically important part of the philanthropic life of our community. It promotes and helps develop local nonprofit organizations and it makes it easy to give to those organizations. I am delighted to be back on the CFMC Board."
